

COTSWOLD

POCKETING

WWW.COTSWOLDAPPAREL.COM

Cotswold is a leading multinational manufacturer and supplier of textile and apparel products to leading global fashion and garment brands.

Our pocketing series offers a range of solutions from 100% Cotton mercerized, through a wide variation of TC to 100% Polyester, plain, twill & herringbone, which can be used for dress pants, heavy washed garments and uniforms.

Use of our pocketing along with our extensive range of waistbands also provides an added value for every collection.

COTSWOLD

Founded in 1954 and now in its third generation of family management, Cotswold is a leader in the development and distribution of trims, sundries and apparel fabrics.

Vertically integrated from the Middle East to the Americas, Cotswold Asia delivers world-class quality, product innovations, just-in-time partnerships, and both global and local expertise to every main apparel producing country, region and trade agreement. Cotswold Asia is the ONLY sundries manufacturer able to supply global brands with product for Egypt/Jordan (QIZ), North & Latin America (NAFTA/CAFTA) and throughout North and South Asia.

Cotswold Asia believes producing as locally as possible and providing jobs to people is what drives the opportunity for businesses to grow.

Cotswold Asia aims to build stronger and healthier global communities through education, charitable donations and support of non-profit agencies in the communities in which we operate. Working with established non-profit organizations maximizes the impact of our community-building initiatives.

GLOBAL SERVICE

Cotswold Industries is a global textile manufacturing company headquartered in New York, NY. Cotswold provides technically innovative products, services and solutions in textile manufacturing, textile finishing, apparel technology and apparel fabrics.

With operations in Asia, Europe, Mexico and the United States, Cotswold solves global fabric sourcing challenges and produces world-class textile products.

SUSTAINABILITY

Sustainability @ Cotswold

Being a part of one of the largest industries in the world, we embrace our responsibility to respect the environment, conduct business ethically and give back to the community. We value our customers and strive to provide them with quality goods and services. Cotswold Asia believes sustainability is essential to the environment and hence takes genuine steps towards taking care of our employees' safety and health.
